

Aerospace Products For Down to Earth Comfort®

Oregon Aero® SoftSeal®/HushKit® Combo Kit
Part Numbers: 28034, 28118

Installation Instructions

1. Remove leather ear pad or hard plastic ear cup from helmet. These should be attached in place with hook-and-loop fasteners and be easy to remove.
2. Disconnect the speaker wire from the speaker. To do this, it may be necessary to remove the ear seal and the foam covering it. If you have plastic cups, remove the wire from the cups. You will not re-install the plastic ear cups. Feed speaker wire through the small hole on bottom back side of the SoftSeal Ear Cushion (**Figure 1**). Reconnect speaker wire.
3. Route the speaker wire between layers of HushKit foam and into the inside pocket (**Figure 2**). Be sure that black fabric side of the HushKit and the speaker are both facing out toward the ear.
4. Insert the HushKit Passive Ear Cup Noise Attenuation Kit into the SoftSeal Ear Cushion with the black fabric facing out, toward the ear (**Figure 2**). Be careful of the speaker and wires and make sure the foam lies flat and is centered in the ear seal.

Note: After installing the HushKit Passive Ear Cup Noise Attenuation Kit, press your finger between the SoftSeal Ear Cushion and HushKit to make sure the kit is flat. This will also prevent the corners from bending upward.

5. Install SoftSeal/HushKit Combo into the helmet, aligning your ears in the center for a secure fit.

Satisfaction Guarantee

If you are not satisfied with your Oregon Aero product for any reason, you have 30 calendar days to return the product from the date you purchased it for a full refund or exchange. To be eligible, product must be in good condition and include the receipt.

Limited Warranty

This product is backed by a limited warranty against defects in manufacture for a period of two years from the date of purchase. In the event we receive the return of this product within the warranty period, and we agree that the product is defective, our sole obligation shall be to replace the product at no charge. We disclaim all other express or implied warranties, including any implied warranty of merchantability or fitness for a particular use. Some states do not permit the limitation of implied warranties, so this information may not apply to you.
