The **Oregon Aero® ZetaLiner®** Helmet Liner is designed to replace the liner between your head and the styrene crush liner in your flight helmet. It carries perspiration away from your head and reduces skin temperature. The Liner molds to your head each time it's worn, preventing pressure points and creating a more stable fit.

INSTALLATION INSTRUCTIONS

1. Remove the original-issue liner from the helmet.
2. Apply the self adhesive hook fastener strips to the styrene liner. (Figure A)
3. Grasp the liner in the middle with the label side out and place it into the helmet with the front of the **ZetaLiner®** Helmet Liner toward the front of the helmet, starting at the top of the edge roll. (Photo 1)
4. Making sure it is centered in the helmet, press it to the hook fastener strips at the front. The front edge of the liner should cover the styrene liner but not cover the edge roll.
5. Press the **ZetaLiner®** Helmet Liner into the center hook fastener strip and then do the same at the back of the helmet. (Photo 2)

CLEANING INSTRUCTIONS

Hand wash with a mild soap and rinse thoroughly. To dry, place the **ZetaLiner®** Helmet Liner flat on a large towel and fold the towel over to cover. Use a rolling pin or similar object to squeegee the excess water out; DO NOT WRING. Hang dry in a warm place or in front of a fan. It should dry overnight unless conditions are humid.

Satisfaction Guarantee

If you are not satisfied with your Oregon Aero, Inc. product for any reason, return it to the place of purchase within 30 days of purchase, in good condition and with the receipt, for a full refund or exchange.

Limited Warranty

This product is backed by a limited warranty against defects in manufacture for a period of two years from the date of purchase. In the event we receive the return of this product within the warranty period, and we agree that the same is defective, our sole obligation shall be to replace such product at no charge. We disclaim all other express or implied warranties, including any implied warranty of merchantability or fitness for a particular use. Some states do not permit the limitation of implied warranties, so this information may not apply to you.
