Oregon Aero® Enhanced Combat Helmet (ECH) Upgrade Kit 9K-0029

Safer - Painless - Stable - Moisture and Waterproof - Gas Permeable - Self-wicking - Quieter - Positively Buoyant

Kit contains one round crown pad, five oval pads, and three rectangular pads designed to fit the Enhanced Combat Helmet (ECH).

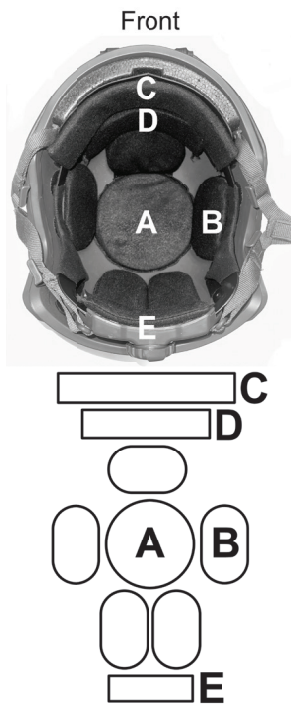

Installation Instructions

1. Remove the original the original pads from your helmet.
2. Attach crown pad **(A)** and the 5 oval pads **(B)** to the existing hook-fasteners as illustrated in the diagram. **Only the green side of each cloth covered pad will adhere to the hook-fastening strips.**
3. 8.5" rectangular pad **(C)** and 6" rectangular pad **(D)** attach in the front side of the helmet to the existing hook-fasteners.
4. 4" rectangular pad **(E)** attaches to the face of the rear adjustment mechanism to the existing hook-fasteners.

Please Note: In cold environments use hands or place helmet on your knee to pre-warm pads.

Washing the Pads

Wash pads by hand with a solution of mild soap and water. Rinse pads completely, lay flat, and allow to air dry. Never put your pads in a clothes dryer.

Satisfaction Guarantee

If you are not satisfied with your Oregon Aero product for any reason, you have 30 calendar days to return the product from the date you purchased it for a full refund or exchange. To be eligible, product must be in good condition and include the receipt.

Limited Warranty

This product is backed by a limited warranty against defects in manufacture for a period of two years from the date of purchase. In the event we receive the return of this product within the warranty period, and we agree that the product is defective, our sole obligation shall be to replace the product at no charge. We disclaim all other express or implied warranties, including any implied warranty of merchantability or fitness for a particular use. Some states do not permit the limitation of implied warranties, so this information may not apply to you.
