Oregon Aero® Zeta II® Helmet Liner

The Oregon Aero Zeta II Helmet Liner is designed to replace the liner between your head and the styrene crush liner in your flight helmet. The Zeta II carries perspiration away from your head, keeping it cooler and drier. Liner molds to your head each time it is put on, preventing pressure points and creating a more stable fit.

Installation Instructions

1. Remove the existing liner from your helmet.
2. Grasp the liner in the middle with the label side out and place it into the helmet with the front of the Zeta II Helmet Liner toward the front of the helmet, starting at the top of the edge roll. See Photos.
3. Make sure the liner is centered in the helmet and press it to the hook-and-loop fastener strips at the front. The front edge of the liner should cover the styrene liner but not cover the edge roll. Refer to **Figure A**.
4. Next, attach the liner to the hook-and-loop fastener on the nape strap flap.

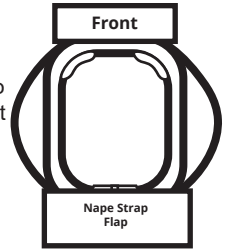

Figure A

Cleaning Instructions

Hand wash with a solution of mild soap and water. Rinse thoroughly. To dry, place the Zeta II flat on a large towel and fold the towel over to cover. Use a rolling pin or similar object to squeeze out the excess water. **DO NOT WRING**. Re-shape and air dry in a warm place or in front of a fan. **DO NOT USE ANY ARTIFICIAL HEAT SOURCE TO DRY**. Your Zeta II helmet liner should dry overnight unless conditions are particularly humid.

WARNING: Wringing the helmet liner or using an artificial heat source to dry will damage the product. Only use recommended methods of care.

Satisfaction Guarantee

If you are not satisfied with your Oregon Aero product for any reason, you have 30 calendar days to return the product from the date you purchased it for a full refund or exchange. To be eligible, product must be in good condition and include the receipt.

Limited Warranty

This product is backed by a limited warranty against defects in manufacture for a period of two years from the date of purchase. In the event we receive the return of this product within the warranty period, and we agree that the product is defective, our sole obligation shall be to replace the product at no charge. We disclaim all other express or implied warranties, including any implied warranty of merchantability or fitness for a particular use. Some states do not permit the limitation of implied warranties, so this information may not apply to you.
