

Oregon Aero® ZETA III™ Helmet Liner

Who has time to think about helmet pain? Upgrade it with Oregon Aero!

The Zeta III has been approved for use in HGU-56P helmets by PM Air Warrior.*

The Zeta III™ is Oregon Aero's latest helmet liner designed specifically for the HGU-56P flight helmet. Upgraded with a new visco-elastic foam core, the Zeta III offers the same level of comfort, stability, and impact protection as previous models. Self-wicking fabric cover keeps your head cooler and drier by drawing moisture away. Pilots and crew members can focus more on the task at hand without the distractions of helmet pain.

- Eliminates helmet pain and discomfort
- Conforms to the shape of your head
- Available in 5 sizes and 3 thicknesses
- Easy to install with hook/loop fasteners
- Hand washable for easy care

Zeta III Sizing

The Zeta III is available in 3 different thicknesses for each helmet size. The thickness you need is determined by the number of layers in your existing Thermoplastic(TPL®) Liner.

If your TPL® Liner Has...	...Then Try A
2-3 Layers	3/8" Liner
4-5 Layers	1/2" Liner
5+ Layers	5/8" Liner

Once you have determined the thickness you need, choose the Zeta III that matches your helmet size below. The sizing charts are intended to suggest a starting point for the fitting process. Each individual should be fitted for best comfort and stability. Oregon Aero is committed to helping you select the proper Zeta III Helmet Liner for your helmet. If you have any questions call us at **800-888-6910**.
